Re: WC Docket No. 03-112

Dear Ms Dortch:

This is to inform you that on July 25, 2003, I met with Jeremy Miller and Terry Natoli of the Wireline Competition Bureau to present BellSouth's position on the issues raised by the Petition filed by ClickQuick on April 21, 2003 and subsequent filings in that proceeding. Participating in the meeting by telephone were Theodore Kingsley, Sharon Liebman, Nancy Sims, and Wayne Tubaugh, all representing BellSouth. The statements we made are already reflected in BellSouth's earlier filings in this proceeding with two exceptions. We took the opportunity during the meeting to explain the nature of BellSouth's RingMaster® offering and to offer a photograph to show that there was space in the conduits at the San Marino at Laguna Lakes apartment complex. A copy of the photograph is attached to this letter.

In accordance with Section 1.1206, I am filing this notice and the attachment electronically and request that you please place both in the record of the proceeding identified above. Thank you.

Sincerely,

A handwritten signature in black ink that reads "Kathleen B. Levitz". The signature is written in a cursive, flowing style.
